DAY1: Nairobi/Amboseli National Park.

Pick up at 7.30am the drive to Amboseli National Park, arrive in time for lunch then have an afternoon game drive. Crowned by Mount Kilimanjaro, Africa's highest peak, the Amboseli National Parks is one of Kenya's most popular parks. The name "*Amboseli*" comes from a Maasai word meaning "*salty dust*", and it is one of the best places in Africa to view large herds of elephants up close. Nature lovers can explore five different habitats here ranging from the dried-up bed of Lake Amboseli, wetlands with sulphur springs, the savannah and woodlands. One can also visit the local Maasai community who live around the park and experience their authentic culture. Dinner and Overnight at Campsite/Lodge.

DAY2: Amboseli National Park.

Full day game drive with packed lunch provided. Amboseli offers some of the best opportunities to see African wildlife because the vegetation is sparse due to the long dry months. Amboseli National Park is home to many species apart from African elephant, that include cape buffalo, impala, lion, cheetah, spotted hyena, giraffe, zebra and wildebeest among other African animals. There is also a host of Kenyan birds, both large and small, to see if you keep your eyes open and stop at every sighting. Dinner and Overnight at Campsite/Lodge.

DAY3: Amboseli National Park/Lake Naivasha

After breakfast optional morning game drive then drive to Lake Naivasha. Arrive in time for lunch then have an afternoon game drive at Crescent Island. It is private, secure and patrolled by Guides who can accompany anyone who wishes a for guided walk. Surrounded by water, it is actually a peninsular and is accessible by boat from East or West as well as by road. The shores host abundant birdlife especially huge numbers of pelicans, cormorants and fish-eagles with their haunting cry. It is not fenced to allow the wildlife on the mainland to come in as they lose their habitat to development and the ever increasing population. Dinner and Overnight at Campsite/Lodge.

**DAY4: Lake Naivasha/Masai
Mara National Reserve.**

After breakfast we drive to Masai Mara, arrive in time for lunch then afternoon game drive. Maasai Mara is situated in south-west Kenya and is one of Africa's Greatest Wildlife Reserves. Together with the Serengeti National Park in Tanzania it forms Africa's most diverse, incredible and most spectacular eco-systems and possibly the world's top safari big game viewing eco-system. Dinner and Overnight at Campsite/Lodge.

DAY5: MASAI MARA

Full day game drive with packed lunch provided. Maasai Mara National Reserve stretches 1,510 sq km (580 sq miles) and raises 1,500-2,170 meters above sea level. Add the conservancies and the area is at least twice the size. It hosts over 95 species of mammals and over 570 recorded species of birds. This is the World Cup of Wildlife, and together with the Serengeti National Park there is no better place to witness the BEST WILDLIFE VIEWING IN THE WORLD. Dinner and Overnight at Campsite/Lodge.

DAY6: MASAI MARA-NAIROBI.

Wake up at 6am for a sunrise game drive in Mara, drive back to accommodation for brunch, then drive to back to Nairobi.

Travel - Safety and Security Information

Clothing

Aside of the normal clothes your probably already thought of, consider:
 Comfortable, loose fitting, lightweight clothes.
 Long trousers and long sleeves. To protect from mosquito's and the sun.
 1 warm sweater might be enough. To save space
 1 jacket for the light rains.
 Less expensive or new clothes is a less worried mind.

Equipment

Decide: a backpack or a suitcase?
 When using a backpack: buy a flightbag.
 Smartphone or a cheap simple phone with long lasting battery?
 When bringing a smartphone, look into the many travelling apps available.
 They are fun. Mobile internet is readily available in Kenya.
 Power bank for extra battery life
 Headlamp
 Small bottles for your liquids (sunscreen, lotion, shampoo, deo etc.)
 Small padlock (TSA)
 A rich, hip, colourful travel guide

Health

Vaccinations and advice from a doctor
 Diarrhoea blocking medicine. In case of emergency
 Malaria pills
 Mosquito repellent. Preferably 30% DEET or more.
 Mosquito net
 Sunscreen

Paperwork

Passport
 Copy of passport
 Visa (in passport)
 Extra passport photo's

 Excursions while on safari

CORPORATE SOCIAL RESPONSIBILITY

Travel For Change as an organization believes that we have a moral duty of improving the living conditions of our communities. To this end we actively participate in the uplifting of the standards of women and children in the rural areas where our affiliate non profit NGO also named Travel For Change - Reg. No. OP.218/051/15-027/9879 operates.

Good health is important for the growth of children of all ages. Unfortunately in Africa it is shocking that six out of every ten children are fighting with health problems associated with food and nutrition. While many families can put food on their tables for less than US\$ 1 per day, this food is lacking the nutrients required for proper growth of children, leading to malnutrition which is very severe in some cases. As part of our Corporate Social Responsibility, Travel For Change is committed to ensuring that the children in the areas where our sister non profit NGO operates benefit from our activities. To this end, 5% of our profits go towards the feeding programs of the Community Based Organizations (CBOs) who are our associates. This program runs throughout the year, not only when school is in session, it ensures that for 365 days a year, the children under these programs have at least one wholesome and nutritious meal a day.
